

# FRONT

## SAFE ZONE

All critical elements (text, images, graphics, logos, etc.) must be kept inside this blue line.

## BLEED AREA

Extend the background, images and colors you want on edges all the way to the end of the pink bleed area, past the black cut line.

## CUT LINE

Actual cut of the final design.

## IMPORTANT

- ▶ Please remove our guidelines/instructions before submitting your files, or else they will be printed.
- ▶ All text should be converted to outlines.

We do not recommend having borders due to the shifting in the cutting process, which may cause borders to appear uneven.
